Selectmen's Meeting

BEACH TO OPEN SOONER?

Beach Director Albert Boucher asked Selectmen to consider opening the town beach one week earlier this year because school will be out. He said that no funds were available in the budget for the opening. Selectmen said that they would take up the matter with the Finance Committee. Mr. Boucher asked that all personnel be retained at the beach except Frank Oliva who has left town and requested that Wayne Caswell be named to replace him.

WHARF DISCUSSION

Harbormaster Karl Collyer met with Selectmen regarding his reappointment. He said he was willing to serve provided that the duties be clarified so that the Wharf Commissioner and Harbormaster jobs are well defined because he cannot be at the wharf during working hours; also he is once again out of money. The Selectmen agreed that the duties should be well understood by all officials and suggested a meeting which would include Louis Costa, Wharf Commissioner, and Al Pauline, Shellfish Inspector, to discuss the matter.

An all alcoholic beverage license was approved for the Longhorn Restaurant, formerly Meiling's, on Route 6.

A second license was approved for wine and malt for Mr. Meat of Mattapoissett, Inc., formerly Heuberger's Meats.

CHECK ON RECREATIONAL VEHICLES

Selectmen were informed by Al Pauline that off the road vehicles are being driven over beach areas and marshes causing damage to these areas. He asked that they prohibit this use. Selectmen will check the laws regulating such activity and then take the proper steps to stop this damage to shore areas.

SEASON CLOSED

The State Division of Marine Fisheries denied the town's request to extend the scallop season so the season is closed.

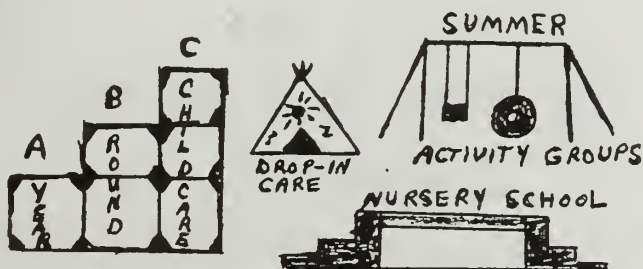

MOSQUITO SPRAY BIDS

Local residents who have been pleased by an unincorporated business in the area from New Bedford through Wareham are urged to let Mary Betts know the name. Mattapoisett Police CPR Fund by the Knights of Columbus to assist the community in its Emergency Medical Services System.

Looking on are Mr. Joseph F. Hipolito, coordinating Knight of the CPR course recently held for the members; Officer Adam Mendoza and Officer Wayne Viera, CPR instructor assistants.

Cardiopulmonary Resuscitation is the medical terminology for "Heart Massage". It is the objective of the Mattapoisett Police CPR Fund to train as many town residents in this basic life support method as possible. Many heart attack, drowning, drug overdose, poisoning, electrocution, and other type victims have been saved by people trained in CPR.

This contribution is only one of the many ways that the Knights of Columbus in Mattapoisett assist, not only our community, but other communities as well, in many worthwhile needs, including direct needy family donations.

This organization is able to accomplish these acts of charity by holding dances, clambakes, and other functions on their

ROCHESTER 300 COMMITTEE MEETING

The Rochester 300 Committee met Friday night, May 4, at the Town Hall and members of various committees reported.

Rene Rivet, reporting for the Lions' Club, reported that returns from his parade applications have been coming in very well, and the parade looks like a very big one. However, he added that the majority of returns are from people and organizations outside of Rochester, and that response from Rochesterites is very slow. Therefore, he wished to advise Rochester people and organizations

that the very simple parade form, available from him or at the Town Hall, should be filled in immediately and returned to him. Units without the form will not be included on the program for judges; thus not be judged, and also will be the cause of immense confusion at the start of the parade. The forms are used to organize the units, space properly, and allow for continuity.

Mr. Harry Brown has found an excellent source of bunting, and people or organizations wishing to obtain some, installation included, may contact him.

Mr. John Girard reported on his plans for a horse pull, to be held August 5, with horses from Massachusetts, Connecticut, New Hampshire, and the hope of an oxen demonstration. The location will be in Rochester Center and the date will coincide with the Craft Show at the library and the Chicken Barbeque at the church.

Judith Gurney reported that the Military Encampment is all set for July 7 and 8 on the "Green", with the Royal 4th Artillery, the Light Company, and possibly an Indian group, camping in authentic 18th century style.

Mrs. Gurney also reported that the re-

ception for invited dignitaries following the parade is being planned, with menu plans, and a financial estimate. The group present agreed that the money appropriated at special town meeting for Rochester 300 should not be used for this event, which will not be open to townspeople, but instead the private donations may be used. The Historical Society has donated \$50 and Selectman George Bare and family have made a generous contribution, and the challenge is put to other people and organizations to do likewise.

Mr. David Hughes was present to discuss the Firemen's Muster to take place July 1 and the impressive trophies to be awarded to the fire companies in the motorcade and the muster on that day. The motorcade will be starting at 10 A.M. and cover the entire town, and families who have reason to wish for quiet on that morning are asked to place small signs asking for quiet at the approaches to their home. Sirens and bells will respect your wishes.

Selectman Julia Enroth agreed to meet with a local business which wishes to be advised of the best ways in which it can assist the 300 committee.

The next meeting of the Rochester 300 Committee will be Sunday night, May 20, at the Town Hall. Everyone is invited.

TRACK CLUB REGISTRATION

Registration for the 1979 Summer Season of the Mattapoisett Track Club will be held at the Center School on Monday evening, May 21st, at 7 P.M. The club is open to all runners from 10 years old and up, male and female. Mr. Vaughan will be assisted this year by Mr. Rod and Mr. Wingate of the ORR staff.

Area high school athletes interested in competing in the AAU Junior Olympics should attend this meeting.

Immunization Clinic

An immunization clinic for pre-school and school age children will be held in the Mattapoisett schools on Thursday, May 24, at 9:00 A.M. Immunizations must be up to date in order for children to enter school in September and this requirement will be strictly enforced.

Full immunization for kindergarten age children consists of a series of 3 shots for DPT in infancy and a booster at 18 months. A second booster should be given between 4-6 years but is not a requirement for kindergarten entry.

Sabin oral polio vaccine is administered by mouth, two doses in infancy, a third at 18 months and the fourth at the same time as the DPT booster, 4-6 years.

One shot is given for measles, mumps and rubella at 15 months. Immunization for all three diseases is required.

The school nurse at Center School or the district nurse at the Town Hall will be pleased to answer any questions. Parents

COUGHING?

A coughing dog is no
matter to ignore. It is usually
the sign that your dog has
some underlying disease such
as bronchitis, pneumonia,
heartworm, or even heart dis-
ease. If it persists, you should
consult a local veterinarian.

One of the most frequent
causes of coughing is a respi-
ratory disease commonly
called "canine cough" or
tracheobronchitis. This dis-
ease complex, characterized
by a harsh, hacking cough, is
caused by a variety of viruses
and bacteria. Routine vacci-
nation against distemper,
hepatitis, and parainfluenza
protects dogs against the
recognized viral causes of this
disease.

LEAGUE OF WOMEN VOTERS CONVENTION

The League of Women Voters of Massachusetts will hold its biennial state convention in southeastern Massachusetts. League members in Foxborough, Easton, Rochester, Marion-Mattapoisett, Attleboro, Norton-Mansfield, South Dartmouth, and New Bedford are now making the arrangements. The two-day convention, which will draw delegates from the 107 local Leagues across the Commonwealth, will be held May 23 and 24 at Southeastern Massachusetts University in North Dartmouth.

At this convention delegates will elect officers and directors of the state League, select an area of statewide interest for study by local League members, reaffirm positions reached through past studies, adopt a budget for the state League, and discuss concerns and priorities for the League in the future.

Patricia Bennett of Concord, Convention Chairman, notes that because the League will use university facilities for their convention for the first time, details normally handled by a convention center staff are being worked out by League's members in the region. Charlene Ayers of Foxborough is co-chairman of the convention committee. Wendy Bergstrom Norman of North Easton is arranging meals; Julia Enroth of Roch-

ROCHESTER LOOKS BACK

This picture, taken at Thanksgiving time early in this century, shows the sanctuary of Rochester First Congregational Church as it used to be. The Church, built in 1837, had been in need of repair. Early records tell that on September 26, 1878, a meeting of the Parish heard from Charles T. Leonard the following proposal from Mrs. E.G. Leonard: that she "would put furnaces under the church, one or more as needed. Would build on an addition back of the pulpit with light on two sides and replaster the church and fresco the same - have the pulpit removed and lower the platform with

a desk in front; also have the organ taken down from the loft and cornered and some other changes."

Mrs. Leonard's offer was accepted with thanks, the church closed for some months, and when the work was finished Mrs. Leonard added a crayon copy of Hofman's picture of Christ in the Dresden Gallery.

The Church remained as pictured here until 1948, when the Ladies Sewing Circle again renovated the Sanctuary.

and turned in a fine performance only to be relieved by Beaulieu. Paul Fluegel, Jeff Pavao, and Marc Beaulieu troubled the Wareham pitchers with two hits apiece.

The team would like to thank all the people who showed up to watch a great win.

The Bulldogs responded to the challenge of facing a tough Dartmouth squad by pulling out an impressive 4-3 win.

Beaulieu got his second win of the week by relieving Jeff Hoff. Marc contributed to his own cause by collecting three hits. Other heavy hitters were Bob and Paul Tinkham each getting two hits. This victory pulled ORR into a tie with Dartmouth for

second place in Division II East competition.

ORR remained in a tie for the second as they gained a 10-0 shutout victory over Bourne. Marc Beaulieu pitched the complete game without surrendering a walk. Paul Tinkham, Paul Fluegel, Jeff Pavao and Jeff Hoff paced the Bulldogs with two hits apiece.

Beaulieu is now 6-0 and leading his team to a 10-2 divisional record.

The J.V. baseball team dropped its second loss to Wareham 12-2.

They quickly got back on the winning track as they defeated Dartmouth 9-6. Mike Xavier had two hits including a home run, and Carlos Cohelo also collected a three-run blast.

On Thursday, May 10, Xavier pitched a one-hitter and gained a 2-0 shutout victory over the Bourne Canamens. Scott Purtell scored the winning run and Dave Baggarly went 2 for 3 with a triple and a single.

The ORR Girls' Softball team lost to D-Y 12-8 after having a score of 6-1 earlier in the game. They also lost to Wareham 13-6 last week.

STANG SPORTS BANQUET

Former New Bedford High School, Ohio State University and Chicago Bears running back Bobby Watkins along with New York Jet quarterback Matt Robinson will be featured speakers at the annual Bishop Stang High School all-sports banquet on Sunday, May 20, at the North Dartmouth school.

Matt Robinson from the University of Georgia took over in game 4 of the regular season when starting quarterback Richard Todd injured his collarbone. The young and inexperienced Jets responded to the youthful Robinson's leadership with impressive wins over Buffalo, St. Louis, Baltimore and Denver. New England fans may well remember the second Patriots-Jets encounter of this past season. Robinson, coming off the bench for the reinjured Todd, directed an attack highlighted by a 56-yard TD pass to Walker giving the Jets a 17-16 lead. A Dave Posey field goal in the waning seconds of the game lifted the Pats to a 19-17 victory.

Watkins is well known in local circles. An all-state selection in high school, Bobby Watkins went on to Ohio State University where he played in two Rose Bowl games, and was an all-Big Ten selection and Honorable Mention All-American. He later played 5 seasons in the NFL for both the Chicago Bears and St. Louis Cardinals. He is currently a national sales manager for Chevas Regal in New York and is one of the world's most renowned authorities on Scottish poet, Robert Burns.

The banquet gets underway at 6 P.M.

sharp and tickets may be obtained at the Stang business office or from members of the school's booster club or any Stang athlete.

Gospel Concert

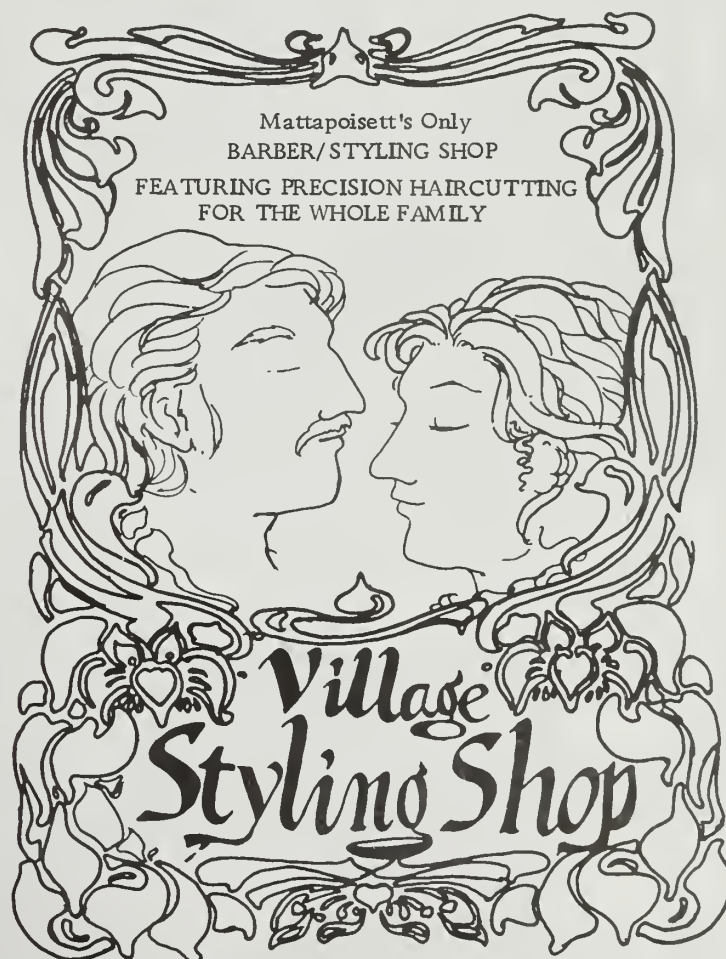

Wareham's 9th Annual Spring Gospel Concert will be held in the Memorial Town Hall, Route 6, Wareham on Friday, May 25, starting at 7:30 P.M. The featured artists this year will be The Eastmen from Lansdale, Pa., and The Mansion Heirs from East Wareham.

The Eastmen, who were organized in 1960, have traveled extensively throughout the United States and Canada, singing their unique style of gospel music. Whether it be in a small country church or a large municipal auditorium, the message is the same and the music appeals to gospel music fans of all ages.

Since their beginning, The Eastmen have maintained a weekly radio program that enjoys a large listening audience, and have made numerous television appearances. They have recorded more than 20 albums that receive radio play across the country. The home area of The Eastmen is South-eastern Pennsylvania where they helped pioneer gospel quartet music in the early sixties.

The Mansion Heirs are well-known throughout New England for their gospel concerts in churches of many denominations, hospitals, nursing homes, prisons, and for civic organizations. They have been on radio (both live and via their record albums), and have appeared on television shows in Worcester, Boston, New Bedford, Somerville, Cape Cod and Providence. In September they were the winners in a Talent Search which was part of the Blue Mountain Gospel Music Festival in Kempton, Penn.

For an unforgettable musical and spiritual experience, don't miss this opportunity to hear The Eastmen and The Mansion Heirs in Wareham. Tickets are to be available at the door or in advance by calling 295-3943 or 295-9134. Children under 12 will be admitted free.
